Are you
passing up sales
in the ever-growing
World Market
for products in the
Electro-Optic
and Laser Fields
because:

- You aren't sure what it takes to market your product abroad
- You don't have the time or personnel needed to develop an international marketing effort

?

If so,
we can help . . .

We are KLC International Sales Corporation

(a wholly-owned subsidiary of
Karl Lambrecht Corporation)

. . . a Chicago-based firm that has been actively engaged in overseas markets for more than 25 years. At KLC International Sales Corporation you would be dealing with marketing-minded scientists. These men know the "ins" and "outs" of foreign trade, and have the scientific expertise needed to sell your sophisticated products.

Our services:

We offer a full range of services in order to help you tailor an international marketing program specifically to your needs. Services include:

Trade Show Exhibitions . . . where your products can be displayed for the world to see. KLC personnel from Chicago will be on hand to explain all the advantages your products have to offer to potential customers, and answer any questions they may have.

Export Consulting . . . KLC personnel can help you set up a complete program for marketing abroad and then offer continuing assistance as you put your plan into action.

Foreign Representation . . . KLC can take over your entire international marketing effort by taking title to your goods and selling them through our carefully-selected network of foreign representatives.

If you would like to know more about any of our services, or have a special need, please fill out the attached postage-paid card TODAY!
